Notes

- Everyone should make sufficient commitments in preparation for tomorrow's sprint review.
- Since sprint two has 5 meetings, the options are that we either (1) meet two times in one day or (2) meet virtually over the weekend.
- To be completed before demo:
 - Update app.js, database related - Connect the DB so that we can bring the right attributes in the database
 - Link to dashboard
 - Dashboard javascript fetch and display data (user - staff and resident)
 - Dashboard - admin, update the database
