**Time:** 12:30-12:45

**Attendees:** Jayden Harold, Tariro Muvevi, Karabelo Borocho, Dylan Naidoo, Karabo Bopape

- 7 User stories discussed and identified:
  1. The last user story from sprint 1
  2. As a resident, I want to book a facility so that I can have exclusive access to it.
  3. As a system administrator, I want to remove users from the website so that they no longer have access to it.
  4. As a system administrator, I want to remove staff members from the website so that they no longer have access to the website's features
  5. As a resident, I want to cancel a booking as I no longer need the facility.
  6. As a system administrator, I want to onboard users so they have full access to the relevant website features
  7. As a system administrator, I want to approve bookings so that residents have access to the facility.
- Meeting tomorrow, 16th of April 2025
- To do :
  1. Dylan - Figure out how we change the status of the button to "approved" once the admin has approved a user role.
  2. Karabo - Start with the sprint 1 tests
  3. Jayden - Mockups & make the first GitHub release
  4. Tariro - Make the notion public so Martin can view it
