

## 16 Apr 2025 | 📅 Software Design

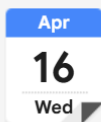

Attendees: Jayden Harold Dylan Naidoo Karabelo Borothe Karabo Bopape  
Tariro Muvevi

### Sprint 2 Meeting 02

|                                           |
|-------------------------------------------|
| Start Time: 10:00                         |
| End Time: 12:00                           |
| Venue: Wartenweiler Library, Focus Room 1 |

#### Notes

- In this meeting, we refined and discussed the User Stories for Sprint 2 and how we would tackle each one
- Karabo created the User Acceptance Tests for each User Story
- Jayden and Karabelo designed the necessary pages for the sprint
- Tariro and Dylan coded the backend functionality that would allow a User's Dashboard to display if their request was pending approval from the system administrator.
