

Sprint 02 Meeting 06 - 23 April

Attendees: Karabelo Borotho , Karabo Bopape , Jayden Harold , Tariro Muvevi , Dylan Naidoo

Start Time: 10:00
End Time: 12:00
Venue: Waterweiler Library, Focus Room 1

Notes:

- Jayden, Dylan, and Karabo checked that the user onboarding functionality was working correctly
- The team finished the functionality for denying user requests/ removing users
- Jayden, Dylan, and Karabo checked that removing users/ denying user requests was working correctly - we noticed that instead of redirecting users to the landing page, removed users now simply had a blank dashboard - to be fixed!
- The team edited the booking page.
- Karabelo created the front-end for the booking tab for the admin and residents
- The following is to be completed before the next meeting (24 April):
 - Tariro - populate the facilities dropdown based on the selected sport
 - Dylan - share facility names with Tariro
 - Karabo - finalise testing
 - Karabelo - finalise UML Diagrams
 - Jayden - bookings pages (frontend)
